CLIENT AGREEMENT

By the Client Representative approving the field employee's hours worked online, the representative will evidence Client's agreement to the terms of this Client Agreement. Client confirms that the named The LaSalle Network Field Employee worked the hours reported on this timesheet and that all work performed under Client's supervision and to Client's satisfaction. Client understands that The LaSalle Network has substantial investments in the temporary Field Employee for recruitment, testing, evaluation, reference checks, training, and quality control; and that Client agrees that it will not solicit an offer to hire the Field Employee directly or use the services of the Field Employee as an independent contractor for a period of one year from end of last assignment, unless Client first agrees to pay The LaSalle Network 30% of employee's annualized compensation. "Temp-to-Perm" transactions are exclusive of the above terms and are subject to agreement by LaSalle and the Client prior to Field Employee's assignment to Client. Client also agrees that it nor any affiliated companies, subsidiaries or "sister companies", will hire directly or utilize LaSalle's Field Employee in a temporary or permanent capacity directly for Client, working either singularly or as part of Client's temp pool for a period ending within 365 days of the last assignment date with Client by LaSalle; nor for this period of time shall Client utilize the same LaSalle Field Employee through another staffing company or other employer.

Under the agreement with Client, The LaSalle Network will cover loss or damage caused by negligent acts of the Field Employee to the limits of insurance coverage of The LaSalle Network Client or Client's insurance company will be responsible for loss or damage incurred when the Field Employee, while under the direct supervision of Client's employee(s), exhibits reasonable care in the performance of their assigned responsibilities, as well as for claims in excess of the limits of insurance coverage of The LaSalle Network.

- Field Employee is not to be entrusted with unattended premises, cash, negotiable instruments, or other valuables and is not to operate machinery, or motor vehicles or to perform work other than described in the job order of Client without the written permission of an office of The LaSalle Network and then only under Client's direct supervision.
- Client will promptly notify LaSalle with respect to any matter or incident covered by insurance, particularly workers' compensation insurance, regarding any Client Field Employee. The LaSalle Network is not responsible for claims made under its liability or bond insurance policies unless such claims are reported to The LaSalle Network within 30 days after occurrence.
- Client shall indemnify and hold The LaSalle Network, its subsidiaries, affiliates and agents, including the employer of record harmless from any and all claims and damages arising out of Client's violation of employment laws including, without limitations, OSHA and EEO, and immigration laws.
- Client recognizes the importance of work quality and will endeavor to provide The LaSalle Network with reasonable comment concerning the overall job performance of all Field Employees during their assignment. At the conclusion of the assignment, Client will make reasonable effort to notify The LaSalle Network of any dissatisfaction with the Field Employee. LaSalle will address each service issue directly with employee and coordinate on behalf of Client the appropriate resolution.

- In the event of Client's non-payment of LaSalle's invoices, Client agrees to be responsible for all collection expenses, including attorney's fees, interest and court costs.
- Client accepts the obligation to discuss all matters concerning the Field Employee, including without limitation, Employee's job assignments, wages and payroll procedures with LaSalle and not with Field Employees directly.
