

## PAYCARD INFORMATION

A Paycard is an alternative to a checking or savings account. It can act as a debit card with a secure PIN, or can be used for credit transactions, and allows you to receive your paycheck automatically to your card on payday. You can withdraw your paycheck, conduct transactions and pay bills.

### Advantages of a Paycard:

- FREE first transaction per pay period
- No monthly or annual fee
- FREE signature transactions
- FREE texting, voicemail and email alerts
- FREE enrollment in Rewards Programs
- FREE Paycards for family members
- FREE mobile banking, two-way texting
- FREE withdrawal of your money "to the penny"
- Over 43,000 surcharge free ATM networks
- No check chasing fees
- Online bill pay system

### Each pay period, you are losing money...

- Cashing a paycheck: **\$8.00/week**
- Purchasing 1 money order: **\$5.00/week**
- Sending 1 Western Union wire transfer: \$15.00/every two weeks
  - **\$20.50/week x 52 weeks = \$1,066**
