

# Ongoing Partnership Ensures Accounting Staffing Success

Grocery Chain

Temporary to hire

Accounting & Finance

*A **discount grocery chain** revolutionizing the way Americans shop. They offer a curated selection of high-quality private label products at everyday low prices. Their focus on efficiency and value has led to rapid growth, making this organization a major player in the U.S. grocery landscape.*

## NEED

- Build a strong, centralized AP Shared Services function that can service all of the US operations and follow a uniform processing structure
- Partner with a firm that understands the business and what skillsets are needed for the roles required
- Hire Accounts Payable start classes of up to 10 at a time

## SOLUTIONS

- This client brought in LaSalle Network as their key partner because of our 25+ years of expertise in accounting recruiting
- LaSalle Network hosts interview blitzes for the company and slots in candidates that fit their requirements
- The trust in LaSalle allows for their internal team to focus on their day to day responsibilities while LaSalle strategizes on recruiting and candidate vetting
