

# How LaSalle Fueled Accounting & Finance Talent

Grocery Chain

Direct Hire

Accounting & Finance

*A **discount grocery chain** revolutionizing the way Americans shop. They offer a curated selection of high-quality private label products at everyday low prices. Their focus on efficiency and value has led to rapid growth, making them a major player in the U.S. grocery landscape.*

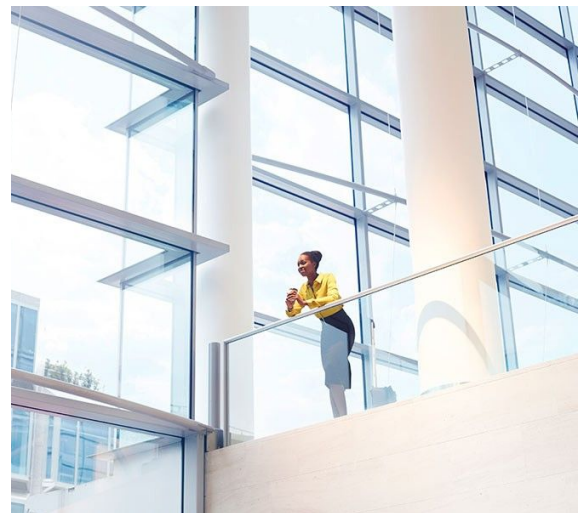

## GOAL

The client's phenomenal growth, with thousands of new stores opening in recent years, required a significant expansion of their financial and accounting teams

As the company scaled, their financial and accounting teams became more specialized, requiring external expertise and new hires that bring knowledge from outside of the organization

## SOLUTION

Partner with a staffing firm who can provide strategic recruitment solutions and fill all open roles efficiently and effectively
