

Private Equity

Direct Hire

Executive Search, Accounting & Finance

This company is a group of independent technology service businesses that collaborate to form long-term partnerships and leave the company's culture intact.

NEED

To expedite a seamless integration following an acquisition, this client strategically positions a sponsored hire within the acquired company's executive team.

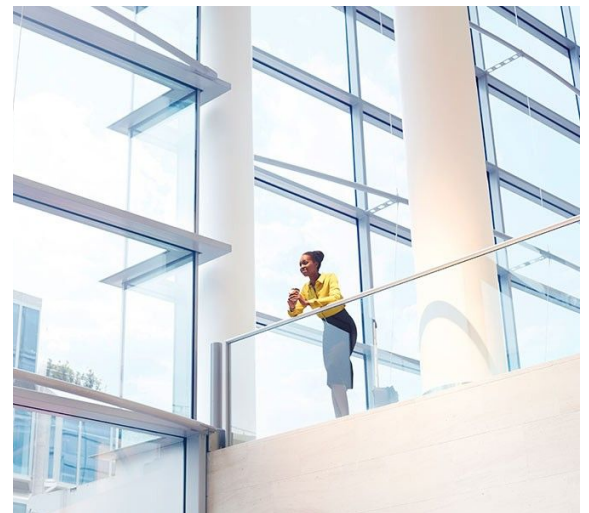

The client required a dynamic recruiting partner with a pulse on the private equity space and the ability to fulfill executive level searches, quickly.

SOLUTIONS

We have a team with extensive private equity experience, well-versed in the intricacies of PE company dynamics.

LaSalle's deep industry knowledge ensured the attraction of top-tier talent tailored to meet the specific needs of partner companies.

Our executive search expertise helped fill leadership roles at two portfolio companies in the IT Services and Consulting sectors.

3 placements

- CEO
- VP of Operations
