

Directly Sourcing High-Level Talent: Executive Placements at Leading Hospitality Provider

Hospitality

Direct Hire

Executive Search Placements

A leading hospitality provider specializing in sports, entertainment, conventions, cultural venues and events across premium dining experiences.

CHALLENGES

Strategic changes within the organization required a need for high-level roles within marketing and accounting and finance.

Their internal recruiting team primarily focuses on labor roles, so they didn't have the expertise needed to fill the immediate needs of the org.

OUTCOMES

Our expertise in sourcing higher-level talent with an expansive network allowed us to fill the roles, quickly.

We thoroughly understood the culture and work ethic in order to successfully fill these high-level positions.
