

Streamlining Revenue Cycle: How LaSalle Staffed for Hospital Growth

- Healthcare Provider, Front-End
- Temporary to hire
- Patient Access Specialists

A renowned pediatric medical center dedicated to providing exceptional healthcare to children and adolescents. The hospital has evolved into a leading institution known for its expertise in pediatric care, research and education.

CHALLENGES

The client needed support with their front-end revenue cycle.

Due to a new internal process implementation, there was a surge in call volume.

GOAL

Quickly hire skilled professionals to handle the high call volume.
